**LIVE IT!** Active games can help you have fun and stay fit. Get up and move!

**LEARN IT!** Video games are becoming more and more physically active. They're fun and make you sweat.

## DO YOU WANT TO BE STRONGER?

Do you want **more energy** when you're on the move? Do you want to find buried treasure and be the richest person alive?

**OKAY, BEING ACTIVE** won't lead you to buried treasure, but it will help you **get stronger and have more energy**. Two out of three isn't bad!

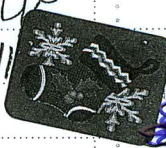

### BALANCING ACT

Practise, practise, practise. Improvement doesn't happen without practise. When you find an activity you like, practise is a lot easier. So give it your best and go practise!

### 3 SATURDAY / SAMEDI

Hello Parents,

We are looking for volunteers to help with a couple of activities. First, is making gingerbread houses out of graham crackers on the morning of Tuesday Dec. 13. Second, is our Fly-In competition, which is on Thursday Dec. 15 from 9:00 to 10:30 am. We need judges for the various events (no experience necessary!). Please sign below, on the line(s) if you can help with these activities.

Thanks for coming to the interviews and if you are wondering about anything, please write a note in the agenda or drop by for a chat.

Thanks!
